

Boot Road Park Day – Saturday, May 10, 1 – 4 PM

To help introduce residents to the newest park in the West Whiteland Township Parks system, the Parks and Recreation Commission is presenting an afternoon of fun and educational activities.

- Learn how to identify native trees and shrubs.
- Find out about the habitat and life-cycle of our beautiful native blue birds and learn how you can lure these birds to your yard.
- Find out about the latest trend – Geocaching. This park activity is set up to teach kids and adults alike about using GPS systems to find hidden treasure. Everyone can keep their special treasure!
- Test your baseball trivia knowledge.
- Compete in some fun-family races: 3 legged, spoon and sack races.
- The Girl Scouts will be on hand to provide face painting at the Butterfly Garden.
- West Whiteland Fire Company will be visiting the park with a fire truck that kids can explore.

Come get to know the newest park in West Whiteland Township! In addition, information tables will be on hand for Exton Mom's Club, Geocaching and West Whiteland Township.

Parking is limited, so please carpool or walk if possible. No rain date.
In case of inclement weather please call (610) 738-7101.
